**THE PROTECTION OF PERSONAL DATA**

**Introduction**

The EU-funded Twinning project “*Institution-building for alignment with the Union acquis on the protection of personal data*” is led by Autorità Garante per la Protezione dei Dati Personali, Italy, in partnership with CSI-Piemonte and Ludwig Boltzmann Institute of Fundamental and Human Rights (BIM), Austria, supporting the Information and Data Protection Commissioner’s Office in Albania.

The main objectives of the Twinning Project are to align the national legislation with the GDPR and the Police Directive, to increase capacity building for the enforcement of the new Data Protection legal framework and to raise awareness with controllers and processors in order to ensure that they comply with the new Data Protection Law.
